

APPOINTMENT OF A NATIONAL CIVIL REGISTRATION AND VITAL STATISTICS FOCAL POINT

As an important part of the Regional Action Framework on CRVS in Asia and the Pacific, which was endorsed by governments of the region at the Ministerial Conference on CRVS in Asia and the Pacific during November 2014, ESCAP member States are invited to nominate an organization (ministry, department, office etc.) to serve as a national CRVS focal point with responsibility for, on behalf of all CRVS stakeholders in the country, leading effective and efficient interaction with development partners and liaising with the ESCAP secretariat to report and monitor progress in implementing the Regional Action Framework.

In deciding on the focal point, Governments are encouraged to undertake a formal process and consider utilizing the national CRVS coordination mechanism, if one exists.
