Cartes 2013

When:

19.11.2013 - 21.11.2013

Where:

[Villepinte Exhibition Center](#) -

Category:

[Supported events](#)

Description

CARTES, Secure Connexions Event, is the world's leading event in secure solutions for payment, identification and mobility. With 450 exhibitors and 140 conferences featuring international experts, the event is attended by 20,000 visitors from 137 countries who come to discover the latest trends and innovations (mobile payment, NFC, biometrics, M2M...). The major topic this year is «Building trust in mobile life».

Brazil is the country guest of honour in 2013, a huge market for payment and identification technologies.

Finally, the SESAMES Awards reward the 10 best innovations in the industry and the winners are announced on the eve of the exhibition.

Euro ID 2013

When:

05.11.2013 - 07.11.2013

Where:

[Frankfurt](#) -

Category:

[Supported events](#)

Description

Experience the **new hub for ID technologies** from 5 – 7 November 2013 in Frankfurt am Main, Germany. For the first time two leading events on the topic of identification will be co-located.

The **Euro ID** exhibition is the established meeting place for manufacturers, solution providers, distributors, system integrators, consultants and end-users of identification.

The Euro ID exhibition guarantees a comprehensive overview of ID technologies regarding identification, data collection and data acquisition as well as data transfer. A comprehensive, forward looking supporting program of topic and user forums as well as live demonstrations at the Tracking + Tracing Theatre will be particularly attractive for visitors.

World ID 2013

When:

05.11.2013 - 07.11.2013

Where:

[Frankfurt](#) -

Category:

[Supported events](#)

Description

The ID World International Congress is the prime conference on the evolving world of biometrics, RFID, smart card technologies and data collection. It is the only international forum that looks at the advanced ID industry as a whole, rather than focusing on a specific technology or vertical sector.

The ID WORLD Conference

is the ideal independent forum where you can learn from your peers, talk to the experts and ensure your products and services are branded in the minds of the right senior decision-makers. The conference has established itself as the

leading vendor neutral and technology independent networking and knowledge sharing appointment of the year.
