

2- Working Meeting of the Technical Advisory Group on Social Statistics

Bangkok, 29-30 September 2011

Last update: 12 September 2011

The Country consultation on the development of a regional strategy for improving social statistics in Asia-Pacific meeting will be held from 29-30 September 2011 in Bangkok. The main objective of the meeting is to produce a work plan for the first year, as specified in the [Terms of Reference of the TAG-SS](#). The meeting is expected to produce:

- Basic elements of a programme on improving social statistics in Asia and the Pacific till 2020 and major milestones
- The work plan of the TAG-SS for 2011-12, including specific goals, outputs, activities, schedule and resource requirements
